About AsiaQuartz

AsiaQuartz (Fujian Nanan City Lifeng Stone Co., Ltd.) is a professional manufacturer and exporter of high-quality artificial quartz stone slabs, terrazzo slabs and zero-silica mineral slabs. Our products serve global surface buyers — distributors, fabricators, architects and project developers in over 30 countries.

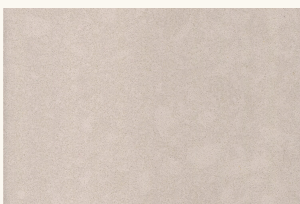

Item	Description
Product Types	Standard Quartz Slab · Printed Quartz Slab · Terrazzo Slab · Zero-Silica Slab
Standard Sizes	3000×1400mm / 3200×1600mm (custom sizes available)
Thickness	12mm / 15mm / 18mm / 20mm / 30mm
Finish	Polished / Honed / Leather / Anti-slip
Standards	EN 15285 · EN 15286 · ASTM C97 · ISO 13006
Certifications	SGS Test Report · Free Silica XRD Report · CE
Min. Order	1 full-container (approx. 100 slabs)
Lead Time	30–45 days after deposit confirmation

[STANDARD] Standard Quartz Slabs

Natural Quartz Aggregate · Classic Fine Texture

Standard engineered quartz uses natural quartz sand (90%+) with a small resin binder. The full-body mineral texture runs through the entire slab — no printed layer, no ink. Surfaces are hard, non-porous, heat and stain resistant.

- No Inkjet Printing · Full-body Quartz Texture
- 3000×1400mm / 3200×1600mm · 12–30mm Thickness
- Polished / Honed / Leather / Anti-slip
- Min. Order: 1×20GP · Lead Time: 30–45 Days

Total: 3 products — see 05_Slabs_Standard.pdf for full detail page of each slab

[PRINTED] Printed Quartz Slabs

HD Digital Inkjet · Marble & Exotic Stone Patterns

Printed quartz uses HD digital inkjet technology to reproduce rare marble and exotic stone patterns with high fidelity. Book-matched continuity across slabs makes it ideal for large feature walls, reception desks and full-height applications.

- HD Digital Inkjet · Calacatta / Taj Mahal / Statuario Collections
- 3000×1400mm / 3200×1600mm · 12–30mm Thickness
- Book-Matched Pairs Available · Polished Finish
- Min. Order: 1×20GP · Lead Time: 30–45 Days

[TERRAZZO] Terrazzo Quartz Slabs

Classic Terrazzo · Multi-Color Aggregate Chips

Terrazzo quartz recreates the classic Venetian terrazzo look: natural stone chips embedded in a smooth binder, fully sealed and polished. Available in grey, white, black and mixed aggregate colourways for architectural projects.

- Aggregate Chip Inlay · Polished Terrazzo Surface
- 3000×1400mm / 3200×1600mm · 15–20mm Thickness
- Ideal for Commercial Floors, Lobbies & Public Spaces
- Min. Order: 1×20GP · Lead Time: 30–45 Days

[ZEROSILICA] Zero-Silica Quartz Slabs

XRD-Confirmed Zero Crystalline Silica · Special Glass Formula

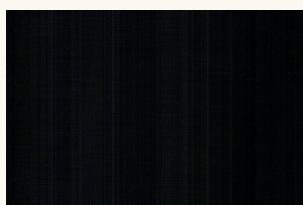

Zero-silica quartz (silica-free) is made from a special glass formula instead of natural quartz sand. XRD analysis confirms 0% crystalline silica — significantly reducing silicosis risk for fabricators. The preferred choice for markets with strict occupational silica regulations.

- XRD-Confirmed 0% Crystalline Silica
- 90% Special Glass + 10% UP Resin Formula
- Meets EU / US / Australia Occupational Health Standards
- Min. Order: 1×20GP · Lead Time: 30–45 Days
